Again it is my privilege to welcome you to the 27th session of E. C. J. C. A wonderful opportunity awaits each of you. Of those who apply themselves, this will be the most formative years of their life. It is my earnest prayer that you will join the ranks of the thousands of outstanding citizens of this state who call E. C. J. C. their Alma Mater.

W. A. VINCENT, President

## PURPOSE

This Handbook has been prepared for you, the students of East Central, with the purpose in mind of familiarizing you with life in your school. You will find this a guide to which you will find frequent need for reference. We sincerely trust that you will find your place on this campus and we extend to you a hearty welcome.

## ALMA MATER

Dear Alma Mater we sing thy praise;  
In sweet remembrance of our college days;  
Comrades and teachers, friends so true;  
We give our love to you;  
Long may we cherish the days spent with thee;  
Happy days of dreams, work, and play so carefree  
Deep in our hearts rest your memories true,  
Here's all our love to you.

## Chapter I — HISTORY AND TRADITIONS

East Central Junior College came into existence in 1928 when twenty graduates of the old Newton County Agricultural High School, then operating on the site that is now the junior college, presented themselves as candidates for the freshman class of the newly instituted college. Two teachers were chosen to teach this class, and in two years the Junior College Accrediting Commission of the state granted full college credit to E. C. J. C. graduates.

The 1954-55 registration totals showed an enroll-

ment of 451 plus 194 in vocational technical training and night school. The faculty and staff now consists of more than fifty members. The growth of the college has been steady since the beginning, but the return of the veterans and an increasing enrollment of high school graduates has given impetus to the college and has resulted in an expansive building program. Four dormitories for the housing of students and three extensive apartment buildings for faculty and married veterans have been constructed. Plans are being made for a new girls' dormitory, and a new auditorium, seating more than 1,000, has recently been completed. Likewise, new buildings for the expansion of teaching facilities and for the extension of shop work have been added to the college plant. Two other new and valuable buildings are the very modern cafeteria and student center. These additions make it possible for East Central Junior College to give greater educational service to the district in which it is located.

E. C. J. C. has several traditional celebrations which are eagerly looked forward to each year. Among the highlights of the fall semester is the Homecoming Day which features a great football game and the crowning of the Homecoming Queen. Other traditional events include the Christmas Formal; the gay Spring Formal; the Junior-Senior Banquet; the Freshman-Sophomore Banquet; the Y-Banquet; Senior Day; the Senior Trip; and, finally, May Day, the oldest of the traditional celebrations, held on the campus in the late afternoon preceding the graduation exercises.

## Handbook

The ECJC Student Handbook is compiled and published annually by the Student Body Association to provide useful information for the students at East Central Junior College.

### Athletics

The Warriors compete with other junior colleges in football, basketball, baseball, and tennis. The Warriorettes compete in basketball and tennis. All athletes abide by the rules and regulations set forth by the Junior College Association. Students are invited to try out for any of the above sports. Practice for each of these sports is from 3:20 to 5:30 p. m.

The high school basketball and football teams are made up of students from the Decatur Consolidated School and from the high school department of the Junior College. High School students who have played out their high school eligibility may go out for the junior college teams.

To boost school spirit and to foster wholesome rivalry among students on the campus, an intramural program of basketball, softball, volley ball, and other sports is provided, primarily for those students not participating in intercollegiate sports.

## Chapter V — POLICIES GOVERNING

### STUDENT LIFE

#### General

Every student at East Central is expected to conduct himself as a gentleman or herself as a lady. Since it is necessary to observe certain regular ways

of doing things in order to avoid confusion and to promote a wholesome environment, we have some established policies and an organization to assist people when they have problems. In rare cases people do appear before the discipline committee, the object of which is not punishment but assistance and friendly help. In a few cases a student who has shown himself undesirable may be asked to withdraw for the best interest of the school and himself. Drinking, gambling, cheating, and stealing are some of the causes for dismissal from school. The members of the faculty are responsible for assisting with discipline problems.

Students and faculty are requested not to smoke in the classroom buildings and Cafeteria. No great point will be made of it, but this is requested as a method of fire prevention and for the sake of the appearance of the buildings.

Students living on the campus will be held responsible for the care of his or her room and the furniture and must pay for any damages done. Students do not sweep trash into the halls, drive nails or tacks in the wall, or in any way damage or deface the rooms or furniture. Furniture is inventoried in the rooms and must not be moved from or into the room without the permission of the Dean of Women or the Dean of Men.

Electrical appliances may be used in the dormitories. Since careless use of hot plates and irons cause a fire hazard, students are requested to use great caution in their operation. In case of fire immediately notify your Dean, or, if the Dean is not available, notify the General Office.

A student should notify his respective Dean at once when he becomes ill, so that he may receive the necessary medical attention and so that any absence from class may be excused by the Dean. In case of serious illness a physician will be called and parents will be notified. Students will be responsible for their medical bills.

Firearms are not permitted in dormitories.

#### **Women Students**

This year, more than ever, E. C. J. C. is anxious to make all women students—regular, high school, and special—wherever they live, an integral part of campus life. The Dean of Women has the opportunity and responsibility to work with women students, to assist them in making the best adjustment to college life and to help them to get the very most out of their time in college. She is glad to help you at any time, but especially when sickness or other emergency arises, she is the first one you should consult.

Jackson Hall is the center for all women's activities, and all women students are welcomed and urged to make use of the lobby and any other facilities.

#### **Dormitory Women**

The students who live in Jackson Hall maintain an organization known as the Women Students Association. The purpose of this organization is to assist the Dean of Women in operating the woman's residence hall in a manner that will promote the best interest of every student and to permit all to live harmoniously together.

The House Committee composed of all officers of the Association and the Wing Chairmen takes the lead in promoting good housekeeping, in arranging various social affairs, in sponsoring religious activities in the dormitory, in greeting visitors to Jackson Hall, and in assisting new students to become adjusted to the routine by which the women's residence hall is operated.

Students do not spend the night out of the dormitory when they are in Decatur. This also applies to returning from home to Decatur.

Students may go to town at any time during the day until 5 p. m.

Smoking is not permitted in the dormitory or on the campus.

Loudspeaker is not to be used during study hours and quiet hours.

Piano and record player in the lobby may be played after class hours and on Saturday and Sunday.

Radios may be played any time during the day provided they cannot be heard outside the room. Radios are not to be played during study hours.

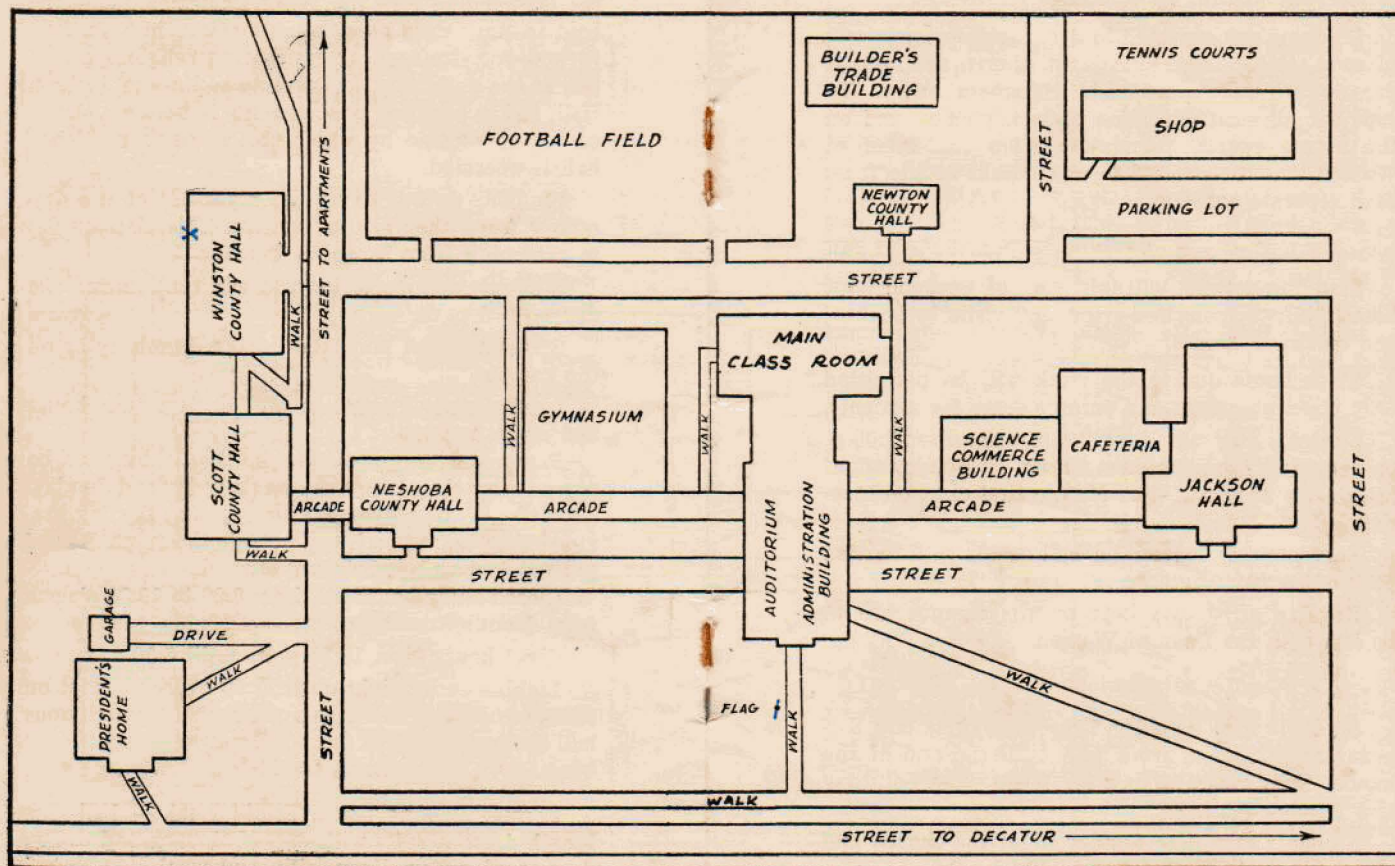

Closed study hours are from 8:00 to 10:30 o'clock from Monday through Thursday nights.

Quiet hours from 10:30 p. m. until 6:30 a. m.

Lights—every night until 11:00 o'clock except on Friday and Saturday nights when there are campus ball games.

#### **Dress for Girls**

Formal — long dress. Semi-formal — ballerina length dresses, suits with dressy blouses, and dressy dresses of cotton, linen, silk, and wool.

Informal—sport dresses, tailored suits, and skirts with blouses or sweaters.

Students are expected to dress appropriately and in good taste. Slacks, blue jeans, shorts, and midriff dresses are not appropriate classroom attire. Except for physical education classes, picnics, and on the tennis courts, permission from the Dean of Women must be secured to wear slacks or shorts on each separate occasion.

#### **Permits**

Standing permits will take care of weekend trips home, college sponsored trips, and visits to friends' and relatives' homes.

Trips home during the week will be permitted only when necessary and parents come for students.

Students may not leave the campus after 7:00 p. m. for trips. Students must return on Sunday night by 10:00 p. m., or in time for the first class on Monday.

Students may leave after ball games with written permission from parents.

Keys to girls' cars kept on the campus are to be left with the Dean of Women.

#### **Dating**

Students may date for Tuesday, Friday and Saturday night movies from 7:15 until the end of the movie. They may also date for Wednesday, Saturday and Sunday matinees.

Students may date Sunday night for church and after church, lobby dates until 10:00 p. m.

Double couples or groups of girls may ride on Saturday from 2:00 p. m. until 5:00 p. m. and Sunday from 2:00 p. m. until 5:00 p. m. within riding limits. Groups of girls may ride in the afternoon after class hours.

#### **Student Center**

All students may stay in the Student Center from 6:30 to 7:30 every night. Sunday afternoon they may stay from 3:00 to 5:00 p. m. All students may stay in Student Center until 9:00 p. m. on Tuesday nights.

All students may go to the Student Center on Friday and Saturday nights after ball games.

Play nights are Friday and Saturday except when there are campus ball games.

#### **Campus**

Students may sit on the campus during class hours. After supper they may sit on the campus until 6:00 or 7:00 p. m., depending on the season.

When in doubt—ask! The Dean of Women, the House President, and the committee members are anxious to help you to be happy at E. C. J. C.

#### **Penalties**

Penalties for the violation of Student Government regulations shall be determined by the student council. Usual penalties may be increased or decreased by vote of two-thirds of the Council.

Penalties may be: (1). Reprimand—written warning from the Council. Accumulation of three reprimands will give a campusment. (2). Campusment—penalty which prohibits for a stated length of time

a student from leaving the campus except for church, and from all social privileges. Campus activities may be attended without dates. Breaking a campusment gives double punishment. If a campusment is broken the second time, the student shall be called before the faculty discipline committee and dealt with as a special case.

Formal—Tuxedos. Semi-formal—dress suits or sport jackets with darker trousers and tie.

Informal—sport jackets and trousers or sport shirts and trousers.

Everyone dresses for dinner on Sunday. It is good taste for boys and girls to dress semi-formally on Sunday.

### Board

When you pay your board at the beginning of the month, you pay for lights, water, and heat in the dormitory; for all replacements and repairs to furniture and equipment in the dormitories; janitorial service in the dormitories; for knives, spoons, forks, etc., in the cafeteria; for all labor required for the preparation and serving of food; and for any rental on the rooms.

Whatever is left from the board bill goes into buying food. If every student will be economical, turn out the light when leaving a room, cut off the heat when it is not needed, and take care of the property, more food per board dollar can be put on the table.

The cafeteria is adjacent to the Commercial Building. Meals are served as follows on weekdays:

Breakfast .....	6:30
Lunch .....	11:40
Supper .....	5:15

On weekends:

Breakfast .....	7:00
Lunch .....	11:40
Supper .....	5:00

Meal tickets, which must be presented at each meal to be punched, are issued at the beginning of school and at the first of each month on payment of board.

Room and Board is payable on Monday and Tuesday of every fourth week. If not paid on the appropriate days, a \$1.00 administrative cost charge is assessed the student for late payment.

It is the custom of the student body for the boys and girls to line up in separate lines and enter the cafeteria alternately, a girl and then a boy. Alternation begins at the outside door except in cases of very bad weather. It is also the custom not to break line.

## Chapter VI — ACADEMIC POLICIES

### Classification of Students

High School Junior: A regularly enrolled student having fewer than eleven high school units.

High School Senior: Fall Semester—One who has completed at least eleven high school units. Spring semester—One who has completed at least eleven high school units and who will be able to graduate at the end of the spring or summer semester.

Freshman: One who has completed at least fifteen units of high school work and is carrying college subjects.

Sophomore: One who has completed twenty-seven or more semester hours of college work.

Vocational Technical: Any student, regardless of his academic level, who is enrolled in any one of

the full time vocational courses offered by the school.

### Grades

Grades are turned in and recorded for every student at six week intervals. Each freshman will have some faculty member assigned as his counsellor to whom he shall go to receive his grades at grade time. Sophomores may obtain their grades at the Registrar's office. An official copy of your grades is also mailed to your parents or guardian every six weeks and at the end of each semester.

The grading system is as follows:

A	92-100	Excellent
B	83-91	Good
C	74-82	Average
D	65-73	Poor
E	60-64	Failure but can be made up
F	Below 60	Complete failure
WP		Withdrawal passing
WF		Withdrawal failing

Further information on grades and grading can be had by consulting the college catalogue.

### Student Absences from Class

Absences from class are one of three kinds: unexcused, excused, and official.

Unless permission has been granted by the proper administrative officer before the absence occurs, the only excused absence is absence due to sickness on the part of the student himself, or sickness or death in the immediate family, and then only if the student's

presence at home is necessary. Such absences will be excused only upon receipt of a written statement direct from the Dean of Men, Dean of Women, a doctor, or the student's parents.

Official absences are those incurred while the student is away representing the school in some official capacity.

All other absences are unexcused.

If the student takes more unexcused absences in a semester than the course carries lectures per week, he automatically receives F on the course.

Students who miss a test or examination with an unexcused absence do not have the privilege of a retest and receive a zero on the test or examination.

A student is responsible for all work missed regardless of why he is absent.

When a student has accumulated absences totaling twenty percent of the times a course meets during a semester, he is automatically dropped from that class with a grade of F. Upon accumulation of two such grades the student will be notified to withdraw from school. He may have his case reviewed by making application to the Registrar.

### Absence of Instructor

When an instructor cannot meet his class the class will be notified if at all possible. However, it is the student's responsibility to remain in the class room until the end of the period unless officially notified to the contrary.
